

HUNTINGTON MEMORIES

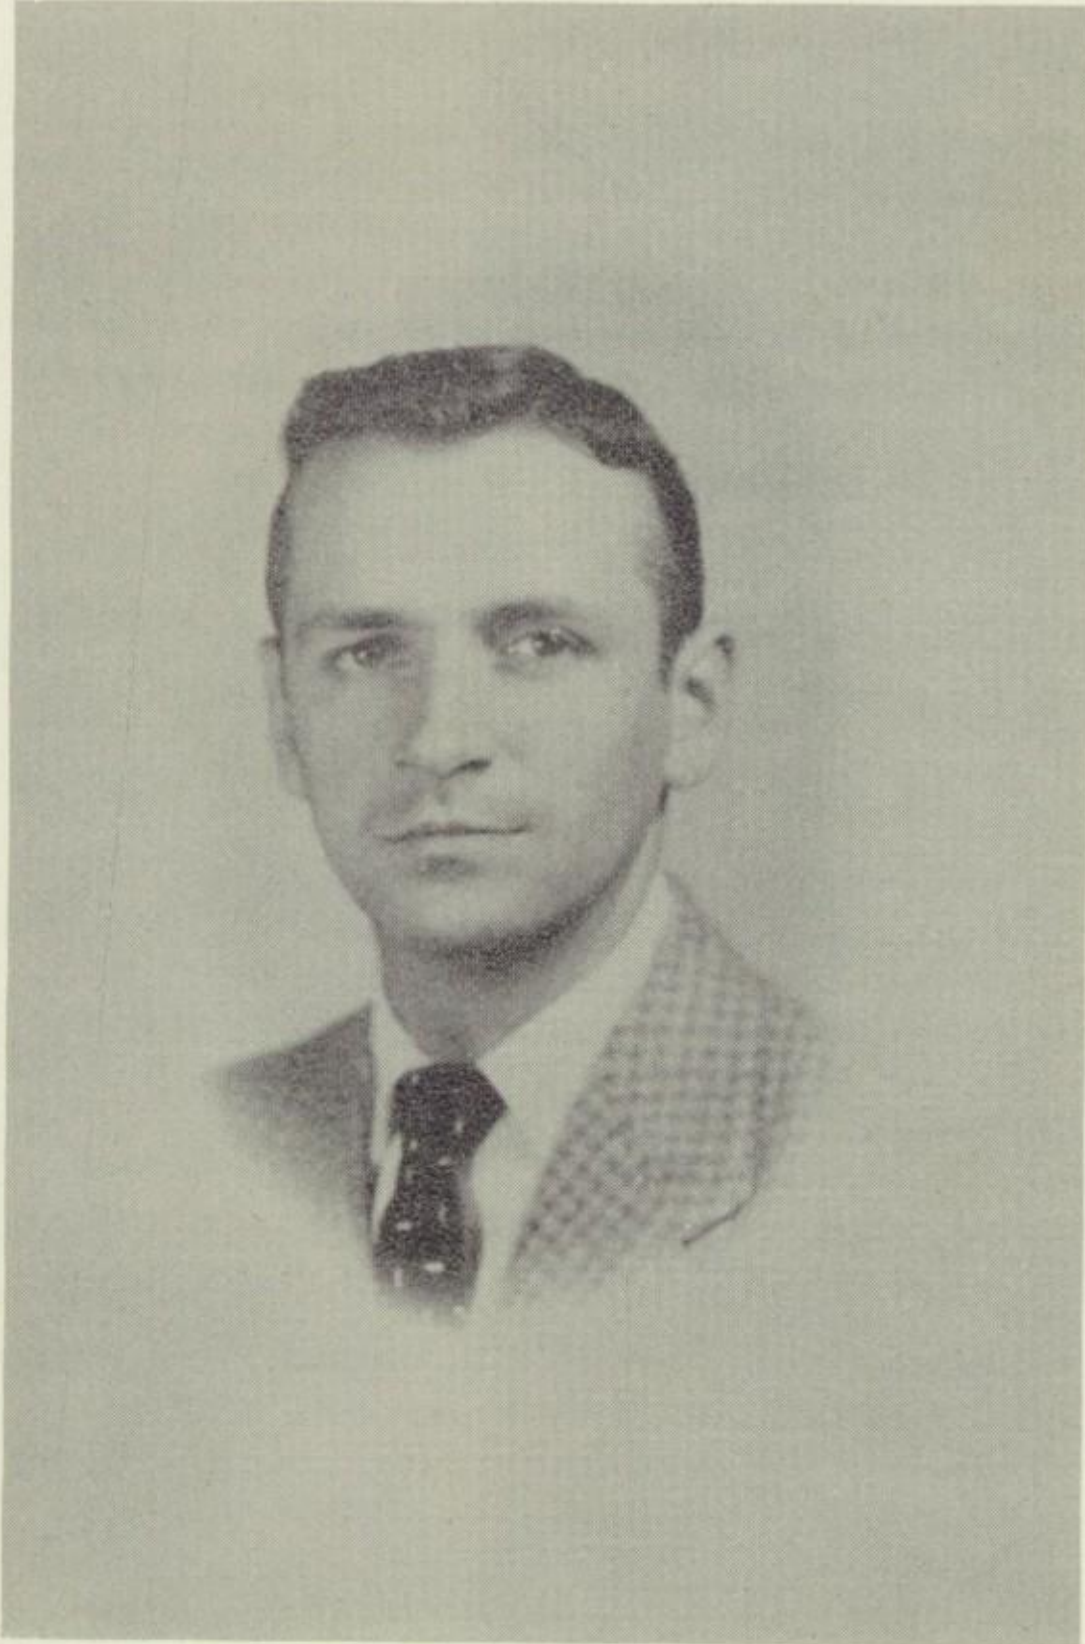

1955

We, the Senior Class, are very appreciative for John Vanek, our class advisor. In our behalf, we would like to dedicate this year book to him in our sincere appreciation.

He has devoted a good deal of his time to us through the previous years as well as this one.

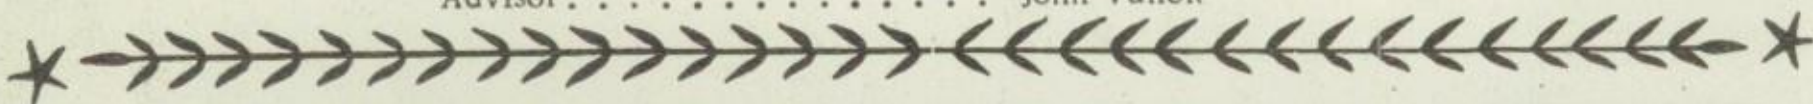

We wish him prosperity and happiness in years to come.

Dear Delma:

Here I sit drinking my third cup of coffee when I began to think of you and all our ole class mates. My three kids have just left for school and I am left with a sink of dirty dishes to wash. Do you, at the present time, know what all our class graduates are doing? Well, here is the latest!

Frank Sammons, now in his second term as Governor, has reported to have said that he will run for President in the next election on the Democrat ticket, of course. Mrs. Donald Gustafson, former Chloa McFadden, has been crowned MRS. AMERICA. Did you know that Monte's rich uncle in Arizona left him a dude ranch? Joanne is now the wife of the famous scientist, Dave Robinson. Carl has been driving a race car in the Indianapolis Speedway for three years. Lavonne is leading the Ohio State Band with the twirling of her baton. Walter is still driving to Wellston each Saturday night to see Linda. Dotty and her husband, Ray, now own a chain of grocery stores throughout Ohio. Mad-Man Woods, formerly Robert Wood, now has a Monopoly in the Used Car Trading Business, he really goes mad when he sells a car. Junior Salley, an Admiral in the United States Navy, has made a career out of the Waves. Glenda Derexson, who always read so much in school, has just won the Noble Peace Prize in literature for her latest novel. Everett Taylor, who always liked English so well, married Miss Krebs, so he could advance his knowledge. Dic Grubb was best man at the wedding but his heart was broken because he too, loved Miss Krebs. Juanita, now Mrs. James Bucy, is living in Tennessee with her Mead executive husband. Arvin moved down south and bought a peanut plantation, and now manufactures the famous "Tasty-No-Wastie" toasted peanuts. Dale Chaney is still cleaning out ditches between the school and town. Roy Ebersole is now an ambassador to Iraq trying to settle a dispute by arbitration. Nora May is now a private secretary in New York for the Aurora-Supreme Products Incorporation. Jim Moore and Emma live on a five-hundred acre wheat farm in Iowa which was a wedding gift from Aunt Suzie. Mae Oma and Paul are living in New York where Paul manages a large company which makes Robots. Dave Skaggs with his pleasing personality is the owner of the "Thrifty, Save you Money", Department Store. Mona Tewksbury has her own business in Denver where she addresses hundreds of envelopes for large firms. Harry Hafner is now Professor Hafner, who teaches World Affairs at Princeton University. Lester Pierce has just taken over Peter Kewit's job since he retired. Wilby Shull is the main photographer for the New York Times. Madge Tinker and Anna Marie West have devoted their life to being good nurses and helping others. Larry was bought by the Harlem-Globetrotters for \$386,00. from the New York Athletic Association. Tom Beatty has taken Herb Shriners place on Television playing his Harmonica.

Your class mate,

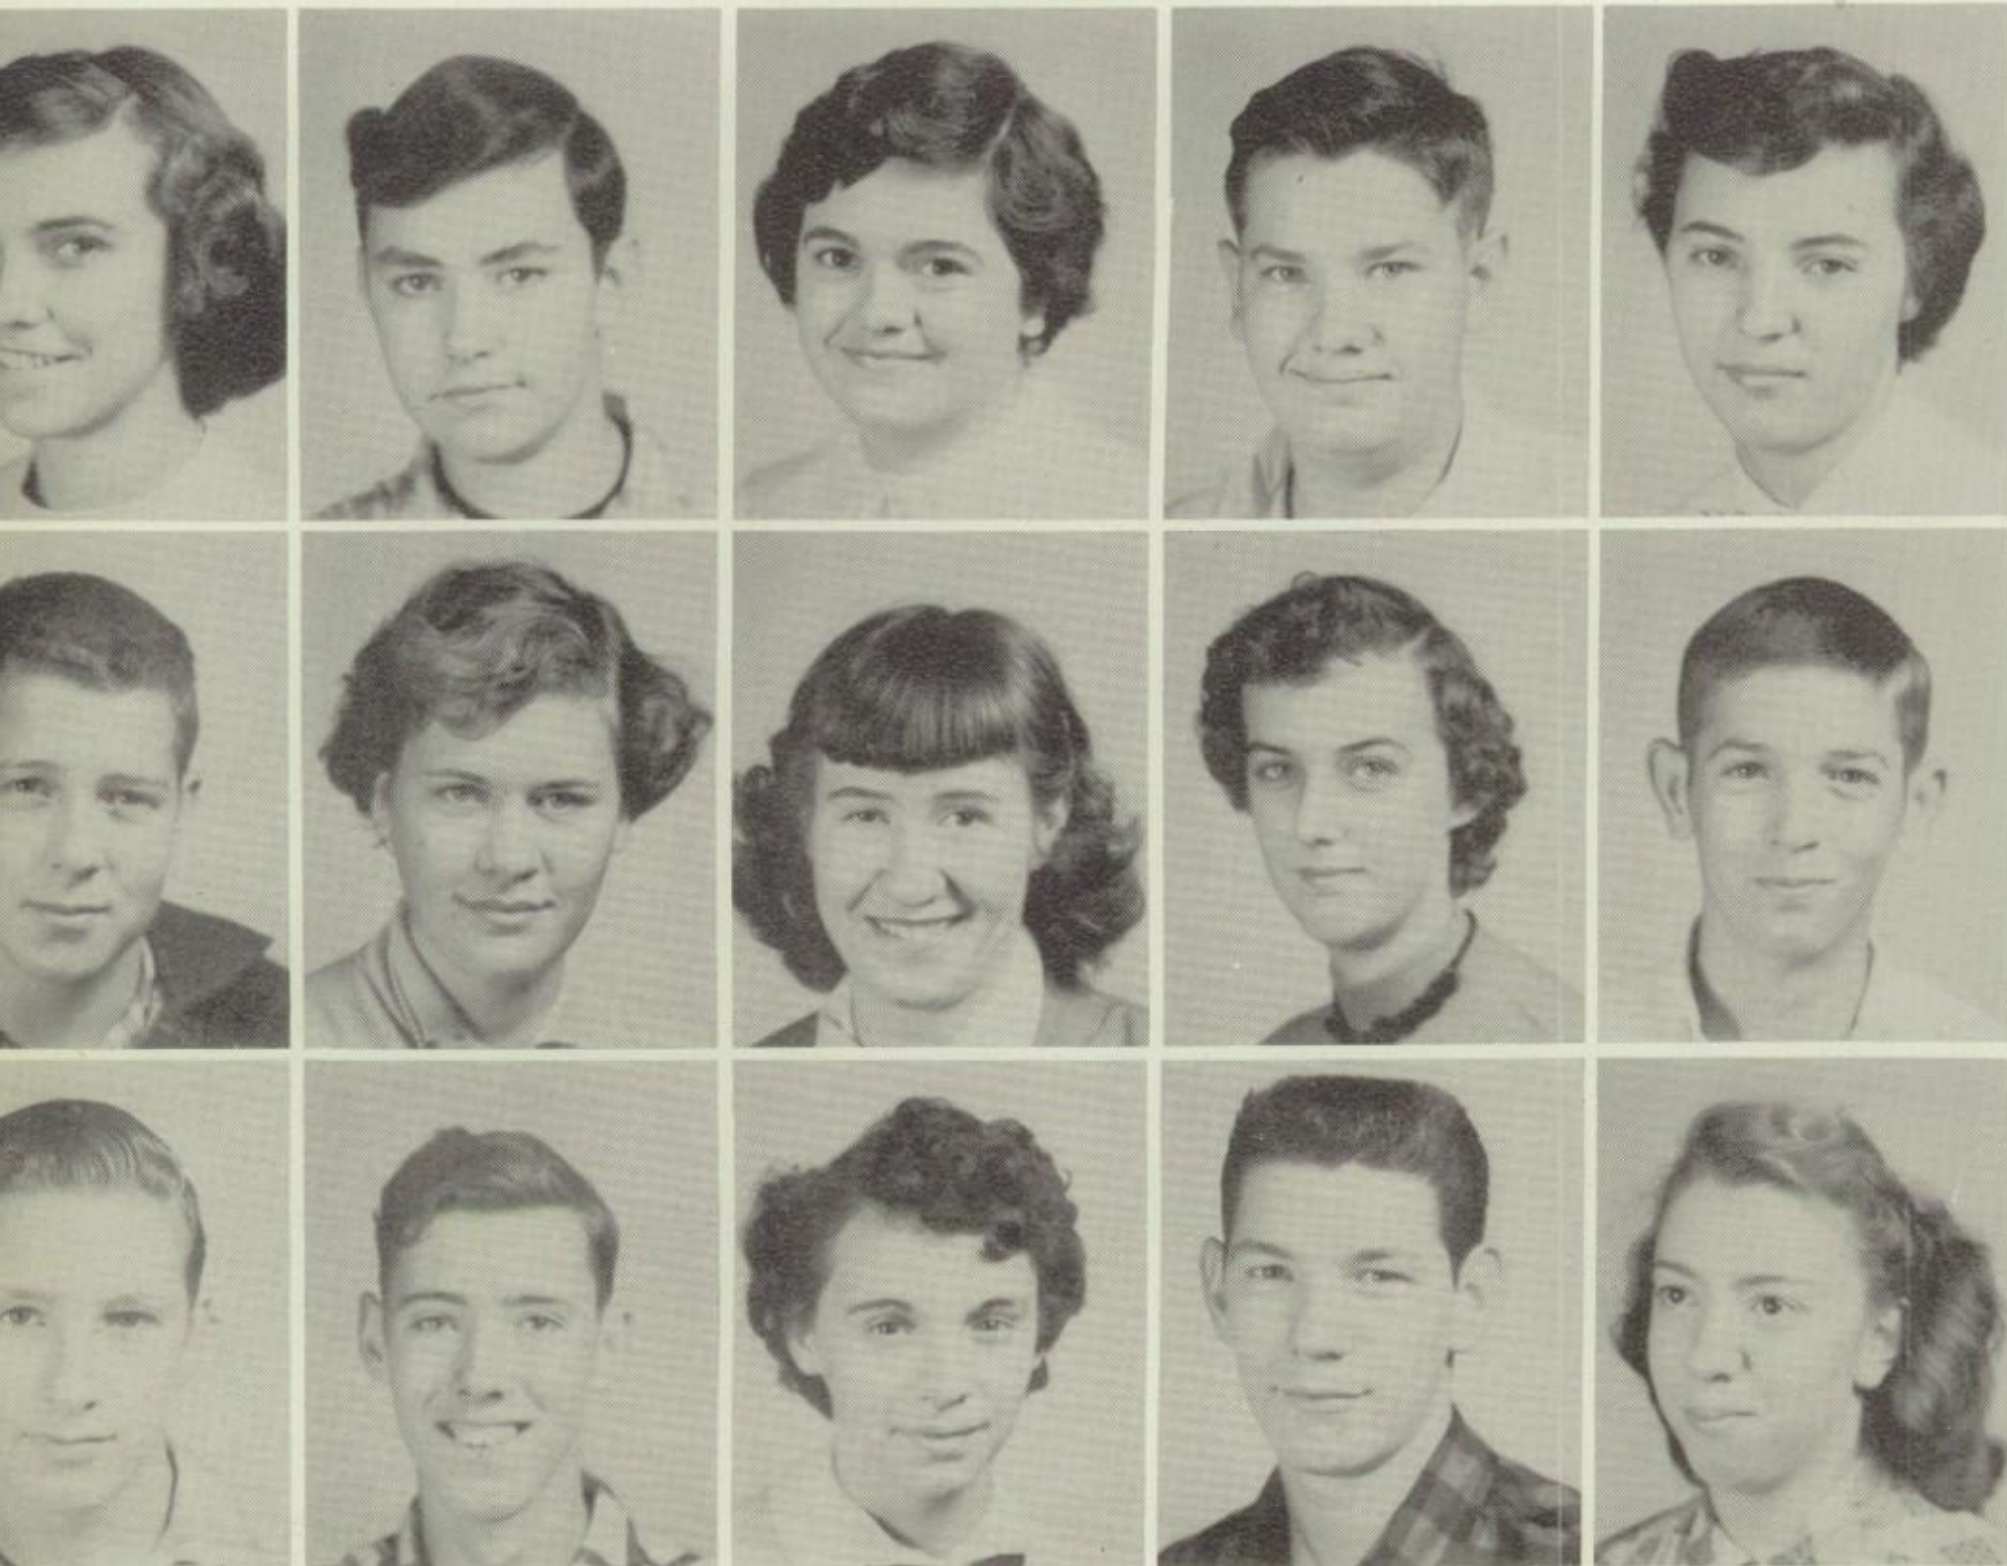

Vaun

BASKETBALL

HUNTINGTON VARSITY BASKETBALL 1954-55

After getting off to a slow start in pre-season play, the boys adjusted themselves to their positions quickly. Using a very fast press and fast break, the league season proved the most successful in years. The team ended with a 4 won, 5 lost record. This was surprisingly good considering the impact of five injuries. In this respect, we set a state record for sprained ankles and injuries from non-basketball accidents. Neil was out two games and half of another. Because of this, he ended second in county scoring by 20 points. He could well have been first under more fortunate conditions. His total was 200. The year before he had won it with 229.

Jim Brown came from Southeastern during Christmas and helped us immeasurably. Sprained ankles went to Taylor, Brown, Davidson and Uhrig. This crippled what was becoming a whale of a season. To top it off, Mendenhall cut his hand severely in a school accident and missed two games and played with plastic reinforcement in the tournament. After leading Bainbridge for three quarters, one time by nine points, fouls removed key players and inexperience showed against a press. This ended the season, successful at that, and with five Juniors returning next year, having much promise for the future.

Seniors Taylor, Uhrig and Grubb deserve a big hand for their fine contribution in play and reliability all the way through school. We will miss them next year.

The team averaged 63 points per game - 46% fouls and 31% shooting. Neil made all county, Davidson made the second team. The Seniors, along with Edgington and Mendenhall, also played fine team ball.

The Squad follows:

N. Uhrig F
J. Brown F
L. Uhrig F
T. DePugh F
M. Davidson C

E. Taylor C
N. Edgington G
M. Mendenhall G
R. Grubb G
T. Leedom G

RESERVE SQUAD FOR 1954-55

This years aggregation proved to be a taller squad with six foot, Tom Depugh, Terry Leedom and Fred Ray being the workhorses on rebounds. And to this trio a dash of speed and ball-handling ability in guards, Lonnie Chaney and Larry Edgington and a good reserve team begins to take shape. The final ingredients of marksman-ship, poise, and "know how" were added in forwards Marvin Coppock and Ronald Uhrig.

This Huntington edition of reserve basketball for 1954-55 was served with a liberal sprinkling of substitutes in 15 games and the results were 9 wins and 6 losses. Most of the games played by the team were quite close and often times had the nerves of spectators shattered before the "main event" started. By looking at the scores given below it can be seen that quite a few "thrillers" occurred during the season.

Probably games which will be remembered best by both players and spectators were games with Buckskin and Catholic Central. In the Buckskin contest, undefeated Buckskin barely squeaked by the Huntsman 45-44.

However, the once-beaten Catholic Central group was not so lucky as they fell before the Huntsman 40-37.

All was not rosy during the season though, as we can lean back and say "What happened in the Clarksburg game?"

In summing up the season we can say, first that it was the best season we have had for several years in reserve competition and the third place ranking in league play seems to substantiate this claim. Second, as long as material is developing on our reserve team as fast as it did this year, we here at Huntington need not worry about the caliber of our future varsity.
